

È il giorno del gioco!

We would love to extend an invitation to ticket holders to come and try our unique city bistro.

With a fantastic reputation and amazing atmosphere, dinner at Rigoni's Bistro is a great way to start your evening.

Our kitchen opens at 5.00pm on game days and we guarantee guests will be out the door in 60 minutes.

From here it is just a short 10 minute stroll to the oval in time for the first bounce.
